POSTER PRESENTATION’S GUIDE LINES

Posters will be presented in an exhibition hall for all the duration of the Congress. Two specific sessions will allow author(s) to present their posters and interact with other Congress participants. Specific session days will be communicated on the Program’s website. Poster must have the following format: 90cm width and 180cm high. There will not be any space dedicated to paper material's displaying: any participants willing to bring further material must hand-distribute it, however we encourage the participant to rationalize the use of paper. as we are in a strategy of ecologization of the congress.
